## children's saver plan

**Tax-free savings Plan for your Children from the Friendly Society.** Railway Enginenen's Assurance Society, looking after its members and their families for the future.

### Who are we?

**Railway Enginenen's Assurance Society is a Friendly Society which has been looking after the financial needs of Railway employees since it began in 1865.**

Railway Enginenen's Assurance Society is controlled by a Committee who mostly work within the railway industry and have your best interests at heart. Your premiums will be invested in a wide range of government stocks (sometimes called gilts), corporate bonds, equities and bank deposits.

### What is the Children's Saver Plan?

The Children's Saver Plan from Railway Enginenen's Assurance Society offers you the chance to build up a valuable tax-free lump sum for your Children in an affordable way. The plan is flexible so you can decide if you would like the savings plan to mature after 10 years, or when your children reach either 16, 18, 21 or 25 years of age.

The Children's Saver Plan gives you the opportunity to benefit from tax-free savings – perhaps for your Child's further education, their first car, wedding or just the comfort of knowing that there is a guaranteed nest egg for them at the end of the savings term.

### How does it work? It's simple...

To join the Children's Saver Plan you need to commit to save for a minimum of 10 years. We can deduct your

savings contribution directly from your pay, and the more your child will receive when the savings plan matures.

Each Child will be allocated a Guaranteed Sum Assured. This is the minimum amount your Child will get back when the savings plan matures, or earlier in the event of death.

### Can anyone join? It's open to everyone...

The Children's Saver Plan is open to any Child under the age of 16 provided the premium payer is a Railway employee. We can arrange policies for your child, grandchild or stepchild with relevant consent from the parent or legal guardian.

### Will I need life cover for the policy? It's included...

The Children's Saver Plan Policy includes built in life cover with the policy. In the event that the Child dies during the agreed savings term, the Guaranteed Sum Assured or the value of the policy, whichever is the greater amount, will become payable to the child's estate.

### Why is it tax-free? Because it has a special tax status for Friendly Societies

Tax-exempt policies from Railway Enginenen's Assurance Society enjoy a special tax status afforded to members of Friendly Societies under current Government legislation. So, if you save no more than £5 per week, for a minimum of 10 years, the Society is not liable to suffer tax on the capital gain or investment income arising from the Children's Saver Plan, with the exception of tax deducted from dividends on equities.

### What happens to the profits? We share them out...

Each year, every Children's Saver Plan policyholder will receive a share in the profits of the Society. A Reversionary Bonus may be added to the Guaranteed Sum Assured – once added this bonus can't be taken away.

### What if I want to cancel my policy before the minimum saving term? We will give you an opt out sum...

If you decide to stop paying into the Children's Saver Plan, the Society will offer you a surrender value. This could be less than you have paid in. If you surrender the policy during the first year there is no surrender value.. As long as you continue to save for the life of the plan the full value of the policy will be paid as a tax-free lump sum when the saving plan matures.
